Dear Brother Liebengood

The Maritime Union of New Zealand continues to offer its support and solidarity to ILWU Local 30 in their courageous stand for secure union jobs in Boron.

We have promoted the issue amongst our members, in our Union magazine and website in addition to writing to Rio Tinto management and delivering our message to their offices in New Zealand.

If there are any other actions we can take please let us know.

Please pass on to your members the best wishes of New Zealand maritime workers and remember you are not alone, the world is watching and workers everywhere are behind you 100%.

Fraternally,

Joe Fleetwood  
General Secretary, Maritime Union of New Zealand
